

What happened in Jinja, Uganda, on October 14-16, 2011 at the Miracle Moments Healing Crusade with Pastor Dill was historic with more than half a million people filled the ground. God's love and powerful anointing has healed lives and many people were delivered from oppressions.

All the three days crusades completed with praise reports and miracle healings in the lives of God's people. As God confirms His Word with signs, wonders and miracles.

People drew the power of God in the midst of the multitudes and God's compassion saved and healed many people. The mayor of Jinja graced the occasion as the representative sent by the Uganda Government.
