Rev. Dr. V. Dilkumar held his first Miracle Moments Healing Rallies in one of the largest churches in Madrid, Spain last April 8-10, 2011. At the airport itself on the same day that he arrived, he was asked to preach.

He was overjoyed when he saw the people that turned up on the first night of the rally, and it has become more till the last day of the rally.

As a result, **numerous healing miracles** took place in the lives of God's people during the three days of the rallies. People were amazed and joyfully testified for the healing miracles they have received from the Lord and witnessed in the lives of others.
