

Rev Dr V Dilkumar was in Rockhampton, Australia last April 22-25, 2010, for Miracle School for Healing and Wholeness. A three day teaching and impartation of God's love and power through the Gospel of Jesus Christ and the Power of the Holy Spirit..

On the final day was a Healing Service where God demonstrated His Love and Power in the midst of His people as many came expectantly and received their healing miracles and were filled by the power of the Holy Spirit.

Amazing *instant miracle healings* took place in the lives of many people giving glory to the name of Jesus.

It was an unprecedented and extraordinary move of the Holy Spirit in the midst of God's people.

PRAISE REPORTS & HEALING TESTIMONIES

- A man never walked in his entire life, he was in a wheel chair, kept in a care home. The power of God came upon him, *instantly stood up* and took his first step. He walked and left the hall rejoicing. He came the next day fully by himself walking and praising the Lord.
- A young girl – for 13 years she had a defect in the hip & thighs (unable to move & walk or spread freely) was *instantly healed*. She was filled with joy.
- A lady – a knitter by profession couldn't continue her work because of numbness in fingers, arms & couldn't freely move them. God's power came upon her and she was *instantly healed* & moved her arms, finger freely.
- A lady with excruciating pain in feet, thighs & hips, couldn't stand much or walk freely. But was instantly healed & walked freely without any pain at all.
- A lady for 6 years couldn't lift her arm, nor fold her fingers but was instantly healed in the same hour by the power of the Holy Spirit.
- A man had severe pain & cramp in the neck and right arm from shoulder. Instantly healed (lifted & move his hand freely without any pain at all)
- A lady with unbearable pain all over her body (especially shoulder, arms, neck etc) kept coming all the 3 days of meetings. God *healed* her on the 3rd day instantly.
- Lady who was unable to stand and walk steadily (seated always in a chair) walked freely without any pain in the body.
- A young man came with numb fingers unable to move them, the power of God came upon him and was *instantly healed*. Moved his fingers and all senses restored.
- Young girl had severe shoulder pains, pain in the ankles *healed instantly*. She moved her body, stamped her feet and jumped up without any pain.

Many people names were called out & God's power came upon them and filled them with joy and peace. Much more of miracles took place during the 4 days

To all that supported us in
prayer and love.
