

*Miracle Moments* continues to reach out to mega multitudes in many nations with love, compassion, mercy and the power of God with mighty miracles, signs, wonders and immediate healings, confirming God's Word by the power of the Holy Spirit.

The Miracle Moments Healing & Blessing Festival held in Maputo, Mozambique last July 26-28, 2011, drew approximately 500,000 people each night. Rev. Dr. V. Dilkumar was moved with compassion when he saw the multitude of people who have come in the cold weather to hear the Word of God - Love of God.
